EDUCATION

Full Stack Flex Bootcamp

February 2021

UNIVERSITY OF NORTH CAROLINA AT CHARLOTTE | CHARLOTTE, NC |

Bachelor of Science, Psychology

December 2014

UNIVERSITY OF NORTH CAROLINA AT CHARLOTTE | CHARLOTTE, NC |

WORK HISTORY

City Letter Carrier

May 2017 - August 2020

UNITED STATES POSTAL SERVICE | KANNAPOLIS, NC |

- Exceeded customer service standards while distributing letters, flats, and parcels to hundreds of homes and businesses in a safe and professional manner.
- Built and maintained relationships with a wide array of customers on various routes.

Research Assistant, Biology Department

April 2016 - January 2017

WEST VIRGINIA STATE UNIVERSITY | INSTITUTE, WV |

- Planted and nurtured watermelon seedlings to maturation.
- Performed RNA and DNA extractions and nano-spectrometer readings on watermelon fruit.
- Demonstrated ability to handle a highly variable workload including flexibility of work hours.

Direct Care Professional**September 2015 - July 2016**

RESCARE | CHARLESTON, WV |

- Evaluated, monitored, and supported the independence and personal development of 6-8 juvenile clients with mental and emotional challenges through one-on-one counseling, group activities, and life skills-building tasks.
- Encouraged self-help activities, anger management techniques, and positive peer interactions.

Head Mentor, Healthcare Pipeline Initiative Program**July 2014; June 2015 – July 2015**

MARSHALL UNIVERSITY | HUNTINGTON, WV |

- Guided 19 (2014) and 26 (2015) high school students for one month through daily medical based lectures and interactive programs led by hospital staff from Marshall University and Cabell Huntington Hospital.
- Coordinated educational and recreational activities, navigated unplanned schedule changes, and mediated disputes among high school participants.
- Coached students by providing feedback on their final closing ceremony poster presentations.

Rehabilitation Counselor Intern**August 2014 - December 2014**

INNERVISION | CHARLOTTE, NC |

- Researched and coordinated therapy options and resources for clients with severe health conditions, utilizing a PSR approach.
- Created and edited reports containing sensitive patient information—including histories, various diagnoses, and treatment details of consumers living with mental health disorders.
- Co-facilitated a substance abuse recovery session for a group of 15 patients in order to help them identify both their needs and their strengths, and performed evaluations for drug and alcohol patients in order to quantify their progress against their desired goal.
- Administered and maintained precise records of 25 individualized consumer goal evaluation sessions, prioritizing confidentiality of all consumers.

Student Aide Intern**November 2014**

AUTISM CHARLOTTE, UNIVERSITY MEADOWS ELEMENTARY SCHOOL | CHARLOTTE, NC |

- Assisted four students with autism with social integration, homework completion, and meals through the inclusion-based afterschool program for children with autism.
- Worked with students individually and in small groups to aid in basic classroom skills and other assigned instruction while maintaining confidentiality regarding students.
